“Ice Chandelier has a simple, timeless look but creates an extraordinary mood in the room at the same time.”

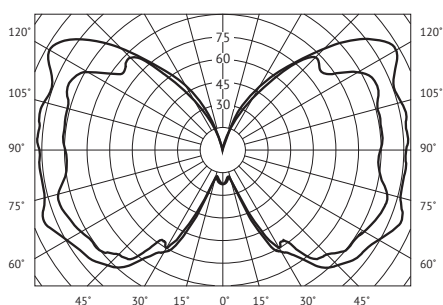

Sofie Refer

The inspiration behind Sofie Refer’s award-winning Ice Chandelier harks back to the dazzling glass and crystal chandeliers of the past. A cluster of scintillating bulbous pendants, it preserves the lavish appeal of that archetypal luminaire. Yet, Ice Chandelier’s asymmetrical configuration and simple, unembellished glass globes bring its aesthetic right up to date.

The chandelier consists of a circular canopy from which nine pendants hang. The halogen light sources emit a soft, ambient light. They are encased by hand-blown glass globes, each of which is unique in its character; evidence of the craftsman’s intervention in the manufacturing process. Ice Chandelier can be made to order for the contract market.

Ø: 38cm / 14.9in

— C0,0-C180,0 — C90,0-C270,0

<b>Product category</b>	Chandelier
<b>Production Process</b>	The glass shades are mouth-blown and handcrafted. The pendants are made from extruded, milled and anodized aluminium.
<b>Environment</b>	Indoor
<b>Material</b>	Mouth-blown glass and anodised aluminium with clear PVC cord.
<b>Dimensions (cm/in)</b>	Ø: 38cm/14.9in, L: 180cm/70.8in.
<b>Weight (kg)</b>	7.61kg
<b>Colours</b>	Clear glass with anodized aluminium. Silver lustre glass with black anodized aluminium. Gold lustre glass with gold anodized aluminium.
<b>Light source</b>	9 x G4 Max 10 Watt. The luminaire is compatible with bulbs of the energy class: C. The luminaire is sold with a bulb of the energy class: C.
<b>Voltage</b>	220-240V - 50Hz.
<b>Canopy</b>	Included
<b>Cord length/diameter (cm/in)</b>	180cm
<b>Cleaning Instructions</b>	Clean with soft dry cloth. Always switch off the electricity supply before cleaning.
<b>Package Dimensions (cm/in)</b>	H: 24.5cm/9.6in, W: 48cm/18.9in, D: 48cm/18.9in.
