The Neck rest is the perfect addition to the UIMAGE lounge chairs if you're looking for extra comfort when seated. It is an easy add-on, and its small size and easy attachment let you store it in a cabinet if you don't want it on the chair at all times. A weight in the bottom keeps the neck rest in place and keeps it from moving around when in use.

Available in the four standard colours of the 100% recycled Horizons fabric and in teddy white and teddy brown of the Teddy bear fabric.
